

K &K Inc. Heavy Equipment Inventory

510 East 2nd Ave.

White Deer, TX 79097

806-883-5621

Last Updated 7/14/2016

K & K Inc. maintains a fleet of heavy equipment and machinery for large jobs.

K & K Inc. can provide your project with the equipment you need. We have trained certified operators for almost any type of heavy equipment that the job may require. Everything from backhoes to 60 ton cranes, K & K can meet the heavy equipment needs for pipeline construction, oilfield site construction, and general construction. K & K also maintains its own fleet of equipment making sure every piece is in good working condition for every job.
